CONFERENCE PARTNERS

NORDIC LEGAL TECH DAY is a joint event by ALTNordic

ALTNordic - the Alliance of Law and Technology in the Nordics is an association of business lawyers with shared values and similar practices. We believe in pragmatic and business-friendly support as external corporate lawyers (with both industry experience and experience as attorneys/legal counsels) and the power of digitization and automation within the legal industry. Members of ALTNordic are Laissa Oy in Helsinki, IBF Legal AS in Oslo, LegalWorks Nordics AB in Sweden and Experticon ApS in Copenhagen.

PROGRAM

THE LAWYER

15.15-15.40 REDLINING WITH ROBOTS: HOW CHATGPT CAN OPTIMIZE CONTRACTING

Laura Jeffords Greenberg is General Counsel at Worksome and has over 13 years of experience leading global legal teams in tech, media, and sports.

Passionate about harnessing the power of technology for legal work, Laura has implemented legal tech and generative AI tools enabling teams to excel with limited resources. Laura continues to explore innovative approaches that push the boundaries of traditional legal work.

Laura will share her insights on how to leverage ChatGPT for effective contract negotiations. Through this presentation, she hopes to inspire and equip legal professionals with practical knowledge and skills to integrate AI into their practices.

General Counsel **Laura Jeffords Greenberg**,
Worksome
